(In Reference to question No. 629)

ಶ್ರೀ ಎಚ್. ಡಿ. ದೇವೇಗೌಡ (ಹೊಳೆ ನರಸೀಪುರ).—ಈ ಸಭೆಯಲ್ಲಿ ಯಾವ ವಿಷಯವನ್ನು ಸಾರ್ವಜನಿಕರ ಹಿತದೃಷ್ಟಿಯಿಂದ ರಿವೀಲ್ ಮಾಡಬಾರದಕ್ಕಾಗುವುದಿಲ್ಲ, ಯಾವುದನ್ನು ರಿವೀಲ್ ಮಾಡಬಹುದು ಎಂಬುದರ ಬಗ್ಗೆ ರೂಲಿಂಗ್ ಕೊಡಬೇಕು. ಏಕೆಂದರೆ ಸರಕಾರಕ್ಕೆ ಅನುಕೂಲವಾಗುವ ಸಂದರ್ಭ ಬಂದಾಗ ಸಾರ್ವಜನಿಕರ ಹಿತದೃಷ್ಟಿಯಿಂದ ರಿವೀಲ್ ಮಾಡುವುದಕ್ಕಾಗುವುದಿಲ್ಲವೆಂದರೆ ಹೇಗೆ ?

been advised as to how the green jowar stock should be treated and made fit for consumption by the sheep. The instructions issued by the Department to the local officers are as under:—

> "The stunted jowar crop should be dried in open sun for about a week and then fed to cattle so as to ensure that the moisture content in the jowar crop is neduced to 5% and below. This is highly necessary as the report indicated high per centage of Hydro Cynic Acid content which is detrimental to the health of the cattle."

Instructions have also been issued to the Extension staff and the staff of the Revenue Department at all levels requesting them to inform the farmers of the danger of consuming green stunted jowar crop as fodder for their cattle.

3. In view of the measures taken by the Department and also in view of the fact that deaths of sheep took place in Afzalpur over a period of 3 months Government do not propose to take measures in addition to those already taken.

I may also add further that there is a subsequent development that has taken place, that rinderpest disease also has started coming to the sheep also. So we have given instructions to the officers concerned and we have rushed vaccine of Goat Tissue vaccine, which is preventive measure for vaccinating the animals like cattle, sheep, goats as a preventive measure against the rinder pest.

Though it is not relevent to sheep deaths in Afzalpur, we have reports of rinder pest in sheep als . This I am told has been imported from Andhra Pradesh where the movement of sheep is also there. We have taken all preventive measures to vaccinate the animals against the sheep disease which is a new disease for the sheep. We have given instructions to the farmers and officers. We have got rinder pest eradication staff at the district level. They have taken up this vaccination.
